

DALLAS/FT WORTH LINE CARD

ADW Corporation

Representing QUALITY products for the HVAC Industry...

DALLAS:

1445 W. Beltline Road
Suite 104
Carrollton, TX 75006
P: 469.568.6300
F: 469.568.6311

FT. WORTH:

7415 Whitehall
Suite 120
Ft. Worth, TX 75006
P: 817.284.0330

Redefine your comfort zone.™
Air Devices, terminal units, fan coil units, vertical stack units, underfloor air distribution, displacement ventilation and critical environment systems.

Commercial control dampers, louvers, life safety dampers, air measurement, sound attenuation and Energy Recovery Ventilation.

Commercial blowers, fans, and ventilation systems.

Cable operated balancing damper systems.

Self balancing Intelligent VAV units, bi-polar ionization solutions for IAQ, pre-piped coil assemblies.

Rooftop Platforms, Crossovers, Pipe & Duct Supports

HTHV direct fired gas heaters, make up air systems and evaporative cooling solutions.

Vehicle exhaust systems, source capture exhaust systems and dust collection systems, FRP duct systems.

Fabric duct systems.

Dedicated Outdoor Air Systems (DOAS)

Architectural and industrial air curtain solutions.

Gas detections and refrigerant monitoring solutions

Humidification solutions

Commercial kitchen hoods and DOAS equipment

Architectural spot diffusers and vents.

Commercial control and zoning solutions, gas detection systems.

UV Light technology

Electric heating solutions, unit heaters

HVLS industrial and commercial ceiling fans.

Commercial grilles, registers and diffusers.

Bi-polar ionization solutions

Energy Recovery Units, curb adaptors and economizers.

Hydronic valves

ADW Corporation also provides products from these other fine companies:

- **Sterling HVAC** —gas fired unit heaters and infrared tube heaters
- **Gripple** —duct, piping hangers and accessories
- **King Electric**—electric heating equipment
- **Kees**— grilles, registers and diffusers
- **Flexmaster**—flexible duct systems and accessories
- **Warren** - duct Heaters
- **Tutco**—duct Heaters

**MANY PRODUCTS REPRESENTED BY ADW CAN HELP ACHIEVE CREDIT(S) FOR LEED PROJECTS. CONTACT YOUR SALES REPRESENTATIVE FOR MORE INFORMATION.
